Our factory is located in Industry Area of Antalya City and has been certificated by ISO22000, BRC and HELAL. Our company has more than 1000 employees with total 108.000 m^2 (indoor 47.000 m^2) production site. The raw milk processing capacity is 850-1200 tons / day. With the solar power panels on our roofs, we generate electricity with no air or carbon pollution. Moreover, no ash or other waste products, and no inputs other than sunlight.

We love our green world !

Safe Food. Safe People. World-Class Quality

It's Our Promise since 1977.

Healthy fed cow
in fresh air,
gives good milk.

Yörükoğlu, following the principle of “in the oxygen-rich nature, the well-fed cows produce good milk”, brings you the freshness and purity you’ve always dreamed of. Produces its whole product range with natural products from ayran to yoghurt, to cheese, to butter; just so you can feel the difference every time you take a sip and taste a bite...

Carrying naturality is a matter of expertness.

Yörükoğlu dotes on Taurus' peerless tastes and makes no compromises on quality in order to protect its delicious milks. By its special frigorific systems, Yörükoğlu develops and consummates the distribution network for delivering its unique tastes in the earliest freshness.

Advanced technology for natural produces!

In a total of 47,000 m² modern and technological Yörükoğlu facilities, an environmentally-friendly and consumer-oriented operating principle is implemented. The delicious Taurus milk is pasteurized to preserve its freshness and nutritional properties. Then, it is offered to you in a hygienic and safe packaging.
